# BORN IN 1971

It was 1971. Rocco Palese and his wife, Annunziata “Nancy” Palese, were the proud owners of their first pizzeria, Guy’s Pizza in Chicago on Armitage. They were both doing what they knew best, making great food. At the time, the Chicago pizza scene was heating up, with many pizzerias imitating each other’s recipes.

Rocco was constantly asked by his community to add the deep dish style pizza to his menu. Rocco listened to their requests, and got to work. But instead of copying the deep dish, he made his own style. Inspired by one of his mother’s dessert recipes, Rocco went on to create the Stuffed Pizza Pie.

**A thick, round pie with a high, golden, crunchy crust ringed around a red sauce center, hiding a thin layer of top crust that covered the mozzarella magma.**

Rocco wasn’t trying to be the hero. He just wanted to create an honest recipe, that people would enjoy for generations to come.

In 1974, Rocco closed Guy’s to open Nancy’s, a new home for the two loves of his life, his wife Nancy and his Stuffed Pizza Pie.
